# 2008 COURSE SCHEDULE

## The Academy of Investigation and Protection (AIP)

opened its doors in 2005. The Academy is dedicated to assisting students increase skills required to work successfully in the field of investigation and protection.

According to the U.S. Department of Labor, Bureau of Labor Statistics, jobs in the field of private detective and investigator careers are expected to grow faster than the average occupation through 2014. Additionally, professionals retiring or leaving will help to create many new job openings. Source: [www.bls.gov](http://www.bls.gov)

The Academy of Investigation and Protection is a community partner with the Community College of Beaver County (CCBC). Credits can be transferred to their Associates in Criminal Justice degree program, [http://www.ccbc.edu/business/group\\_classes.jsp](http://www.ccbc.edu/business/group_classes.jsp)

Choose CCBC Partners.

*Become part of the fast growing security and investigation services field, protecting people, property and information.*
